How You Can Help...

If interested, contact Emily Zidanic at zidanicer@cmcmua.com or 609-465-9026 for participation details. Individual and group donations (*office, facility, company*), will be accepted. If donating as a group, please designate 1 person to be the main point of contact. This person will correspond with the YP Committee and will be responsible for coordinating the collection of goods.

At the end of the Donation Drive, the YP Committee will coordinate pick-up of all collected items.
